## OUEC NEWSLETTER

**Dear Explorers,**

Rosie Watson set off from the Lake District in August 2019, with 10kg camping stuff on her back, with the aim of running to Mongolia. Along the way she met environmental and social activists, solar energy electricians, UN officials, and community heroes; anyone working to the make the world better. She told these stories, woven in with her own tales of adventure, through the New Story Run, with the aim of sharing a more positive story of human beings on this planet. Walking, running and camping through everything from -10°C and 40°C, plus a lockdown in Kosovo and Albania, she made it 4,800 km to Bulgaria before having to return due to COVID-19.

Join us **tomorrow** at **7:30pm** for a talk by **Rosie Watson** about her expedition running from the UK to Mongolia!
