## Kendal Mountain Festival

Are you interested in attending Kendal Mountain Festival in November 2023? Kendal Mountain Festival is the UK's biggest adventure festival, taking place in the beautiful Lake District. The adventurous weekend includes incredible talks, workshops, music, and parties - all surrounded by other outdoorsy people. We are working on a discount for tickets for OUEC members, and having an idea of potential participants would be helpful. Please express tentative interest in the poll below if you are keen!
