## Oxford University Expeditions Council Grants Closed

A massive thank you to each of the six teams who submitted an application to the Oxford University Expeditions Council this year. For the rest of you, the countdown to next year's application deadline begins now!

## Welfare

Throughout Michaelmas Term, a focus for the committee has been on Welfare. Exploration is not easy, and it comes with many risks. Within the club, we do our absolute best to create a welcoming and safe place for everyone to come together and share our passion for adventure, knowledge, and teamwork. However, we can't always control what happens outside of the club, especially in the remote places where expeditions tend to take place.

To that end, we have created a new [Welfare Page](#) to provide a direct path to discreet and serious help, whether the issue is inside or outside the club.

Irina will be taking the mantle of Welfare Officer, and you can reach her at: [irina-petra.hustiradulet@queens.ox.ac.uk](mailto:irina-petra.hustiradulet@queens.ox.ac.uk)
