OUEC Newsletter

Hi Explorers,

This week, we have a [slightly] longer email - there's just too much to share! In this Newsletter, you'll find (1) details and tickets about our upcoming Explorer's Night, (2) an update on OUEC stash, (3) applications for next year's committee, and (4) the announcement of our AGM 2022.

(1) Explorer's Night 2022

This year, the Oxford University Exploration Club celebrates 95 years of Exploration, Adventure and Discovery. Join us on Wednesday 15 June to celebrate this very special occasion. For our Explorer's Night 2022, we will have Professor David Macdonald as our guest speaker.

In 1972, a long-haired David Macdonald stood at the back of a convenience store queue. Opposite, a billboard advised shopkeepers to allow those with crew cuts first service. He was in Singapore, gateway to the island of Borneo, the

destination for his Oxford University Expedition in search of Proboscis Monkeys and other creatures.

In 2022, the Oxford University Exploration Club is delighted to welcome Professor David Macdonald - now celebrated author, documentary maker and conservation biologist - to reflect on Oxford expeditions of 50 years ago, in conversation with James Kempton.

This Explorer's Night will also exhibit publicly unseen OUEC archive material, dating back to 1928. Photos, logbooks, route maps, and expedition reports - curated by Carla Fuenteslópez - will be enjoyed alongside drinks and canapés provided by Vaults and Gardens.

Expect convivial conversation throughout, inspiration for your own expeditions, and a celebration of another fantastic year of Exploration.

Tickets for all OUEC members - both current students and alumni - are subsidised, and can be purchased [here](#).

Explorer's Night 2022

Date: Wed 15 Jun 2022

Venue: T.S. Eliot Theatre, Merton College

Time: 18.00h

Formal attire

(2) OUEC Stash

It's here! We'll be first distributing it before our Explorer's Night 2022 next week, so come along to the T.S. Eliot Theatre from 17.30h to pick up your items.

If you won't be around Oxford - or can't make it on that date - please get in contact with [James](#), our Treasurer, to arrange collection on an alternative date or shipping.

(3) 2022-23 Committee

Applications for next year's committee are finally open!

Did you enjoy our talks this year and **fancy getting involved with contacting next year's speakers?** Like the sound of **chatting to people about their adventures, making connections, and gaining tips and inspiration?** Or using your existing knowledge to **help a next generation of adventurers plan their own expeditions?**

If you said yes to any of these questions, then I'd highly recommend checking out the available positions for next year's committee! **There are roles to suit all levels of experience and availability** so do not worry if you have never been on an expedition or do not have a lot of time next year - there is something for you!

****All committee positions**** are open, so any questions about any of them please do get in contact if you want any more info about any of them!

Here is the link to apply >> <https://forms.gle/ySdsdRcTedo4GJMH6>

Deadline for applying is **Monday 20 June (9th week), 19.00** so after everyone's exams, and the new committee will be elected in our AGM!

(3) AGM 2022

This year's Annual General Meeting will take place in week 9.
In this meeting, we will elect next year's committee.
This will be a hybrid event.

Always keep exploring!
~ Carla, **OUEC President**
